

Precaution

There is a precaution to install ScandAll PRO Lite V1.0 with Windows® 8 / 8.1 / 10 / Windows Server® 2012 / 2012 R2.

The following message is displayed during the installation of ScandAll PRO Lite V1.0 with Windows® 8 / 8.1 / 10 / Windows Server® 2012 / 2012 R2.

Press "Yes" button and continue the installation even if ScandAll PRO Lite V1.0 is linked with Microsoft SharePoint Server.

Press the "Cancel" button if the following dialog is displayed. Then install the latest ScandAll PRO Lite V1.0 Update Pack.
